EXPRESSION OF INTEREST

EXPORT / INTER MINE MOVEMENT/CLEARING, FORWARDING & TRANSPORTATION

Konkola Copper Mines Plc (KCM) is a subsidiary of Vedanta Resources Plc, a London-listed resources and mining company. We operate across the following core business sectors: Zinc-Lead-Silver, Copper, Aluminium, Iron ore and Energy, with operations located in geographies spanning India, Australia, Zambia, South Africa, Namibia and Ireland. Over the past 5 years the group has displayed exemplary appetite for organic and inorganic growth. KCM, the operating company of Vedanta's Zambia copper business, is one of the largest integrated copper producers in Africa. KCM's operations include a state-of-the-art smelter, open pit and underground mines and a refinery.

KCM is looking for world class reputable companies who can undertake Copper Cathodes transportation to the port and port handling, intermine movement of Concentrates / Anode / Pyrite between its facilities at Chililabombwe, Chingola, Lusaka-Nampundwe and Kitwe and Clearing, Forwarding and Transportation of Imports. For this financial year (2015) the approximate tonnage for the above movement are specified in the table below.
